1. The first step is to identify the problem. In this case, the problem is that the company is not meeting its sales targets.

2. The second step is to analyze the data. This involves looking at the sales figures for each product line and identifying any trends or patterns.

3. The third step is to develop a plan. This involves setting specific goals for each product line and determining the actions that need to be taken to achieve those goals.

4. The fourth step is to implement the plan. This involves putting the plan into action and monitoring the results.

5. The fifth step is to evaluate the results. This involves comparing the actual results to the targets and determining whether the plan was successful.

WISCONSIN LEGISLATURE.

Extra Session.

MADISON, Sept. 19.

SENATE.—The resolution of yesterday on

the subject of R. R. bonds as a basis for bank-

ing, was referred to the Committee on Banks.

The Apportionment Bill was reported as cor-

rectly engrossed. It provides for 91 members

of Assembly and 30 members of Senate. It

remains to be acted on by the Assembly.

The Senate bill to incorporate the Mary Ly-

on Female Seminary of Newport, Sauk Co.,

was passed.

The apportionment bill was read a third time

and passed.

The Senate went into Committee on the bill

to charter the Wisconsin Valley Railroad,

running from New Lisbon, in Juneau County,

up the valley of the Wisconsin.

Bill to amend act incorporating the Milwan-

kee & Beloit R. R. Co. the amendment hav-

ing reference to procuring the right of way and

also to authorize construction of branch from

Ell Horn or D. Haven to State line—any place in

Rock or Walworth counties.

Bill to incorporate the Elkhart & Columbu-

s R. R. Co. from the village of Elkhart, Rock

Co. to Columbus. Laid on the table.

Bill in relation to the Milwaukee & Beloit

Rail road was amended by striking out the part

relating to construction of branch road—en-

gaged and had passed.

Bill in relation to appeals from justices of

the peace and criminal suits in Equity were

ordered to a third reading.

Senate adjourned to Monday afternoon next,

at 3 o'clock, when it is expected the Railroad

Committee will be ready to report.

ASSEMBLY.—Communicated from A. T.

Geo. and Geo. B. Smith, in relation to their

duty as school land commissioners, and in re-

spect to report of investigating committee, read

to Assembly, occupying over an hour in its

reading. Speaker Hall moved that it be re-

ferred to a select joint committee, on intro-

duction accompanying legislation, with the as-
